LEADERSHIP IN FLIGHT TRAINING

FEMALES WHO FLY

Welcome to our all virtual Girls in Aviation Day event, **LIFT Off, Females Who Fly 2020!** LIFT Off content can be accessed at www.flywithlift.com/liftoff!

We are so happy you have joined us and we're excited for everything you will learn from our awesome, inspirational "panelists" who have a wide range of jobs in aviation. We have a few CEOs, a few airline captains and first officers, a lawyer, maintenance technicians, an engineer, educators, an author, a flight attendant and more! There is sure to be a career that you'll be interested in learning more about at LIFT Off.

AND there is a scavenger hunt! The prizes are listed out below and are tiered! The more questions you answer, the more prizes you will earn! The scavenger hunt questionnaire is on the second page of this PDF. You'll want to make sure you fill out the top of the second page in full to ensure that we can send you the prizes you earned! Once you finish answering the questions you want to answer, save, scan or take a photo of your responses and email to explore@flywithlift.com.
